

Hailsham Farmers Market Saturday 12th
November, 9am-12.30pm. This month you can
order your meat & poultry at the market to
make sure you have the best of our local food
on your Christmas table, to be collected at the
December market.

The usual stalls will be there, vegetables,
apples, honey, cheese, eggs, delicious
homemade cakes, plants & some crafts, with
ideas for presents.

This month we have 'The Artisan Chocolate
Workshop' with delicious flavoured
chocolates, just right for Christmas.

Also another new stall 'The Spice Company'
with various spices, flavoured vinegars, ham
& cured meats, cream & yoghurts. All sounds
scrumy.

Come to our Farmers Market and try food with
a 'good difference'.

The Market Café will again be opened for teas
& coffee & a great breakfast.
